

## Tax ID number request form

We want to congratulate you on your tournament winnings during the 2018 Midwest Women's Tournament.

Per the IRS, anyone earning \$600 or more in miscellaneous income during a tax year is required to provide their tax identification number (social security number) to the payee for purposes of issuing a 1099misc. form.

If you meet the above criteria while bowling in the 2018 Midwest Women's Tournament, we ask that you complete the form below and return a copy, either by mail or fax, to our office. Pat or Mary will also take your information over the phone. Toll Free: (800) 660-9655, Local (920) 406-2695.

**PLEASE DO NOT E-MAIL** this information as this is not a safe and secure method to send this type of sensitive information. Your information will remain safe and secure with our office until the 1099 misc forms are printed. They will be destroyed after that time.
