Failure to comply with this rule will result in disqualification.
2. **FORMAT:** The tournament shall consist of a four-woman team event, doubles, singles and optional all events. Three games shall be bowled in each event. Highest total pins plus handicap shall be declared tournament champion(s) in each event.
3. **AVERAGE REQUIREMENTS:** (Please read carefully) Entrants shall use their highest USBC average in the following order:
   - **A.** As of the end of the previous season (winter or summer) for 21 games or more, OR:
   - **B.** Average as of January 1 of current season with a minimum of 21 games or more, OR:
   - **C.** **When an average established per rules 3A or 3B is used, and at the time of bowling an entrant has a current average for 21 or more games that is 15 or more pins higher than submitted average, the current average must be used (Rule 319a-2 applies); OR**
   - **D.** Current average of at least 12 games in a USBC certified league, as of the first date of tournament participation.
   - **E.** If a challenge/sport bowling average is the only average available, entrant will abide by the average adjustment scale of current USBC Rule book.
   - **F.** If none of the above applies, entrant will be permitted to bowl using scratch figure of 240.
   - **G.** The delivery hand used in this tournament must be the same as that used when the average was established.
   - **H.** Entrant may request tournament AVERAGE RELIEF in compliance with USBC Rule 4e. If average relief is granted, this rule will supersede the average rules of this tournament.
   - **I.** USBC Rules 319c and 319e do not apply (average adjustments).
4. **AVERAGE VERIFICATION:** Each entrant is responsible for the accuracy of her average whether submitted by the captain or others. Average corrections can be made up to the end of the bowler's first game of a series. Falsification of an average will result in disqualification if submitted average is lower than correct average. If submitted average is higher than correct average, prize winnings will be based on submitted average. Averages are subject to verification. **Copy of bowler's average profile from Bowl.com must be attached to entry for each bowler. If none, average must be verified with an individual record sheet.**
5. **MULTIPLE PARTICIPATION:** A bowler may enter team or doubles and singles events an unlimited number of times, however, a team must change at least two (2) bowlers per entry and doubles must change at least one (1) bowler per entry. A bowler can cash only once in singles.
6. **SUBSTITUTES:**
   - **A.** A bowler may be allowed to bowl as a substitute an unlimited number of times in team and doubles events only.
   - **B.** A substitute will not be required to reimburse the entry fee nor give the original entrant any prize money or award.
   - **C.** Captains must provide verification of averages for substitutes as required in Rules #3 and #4 (properly signed affidavits and records when required) mailed to the Tournament Manager at least two weeks prior to date scheduled to bowl or at least two hours prior to bowling time.
   - **D.** In case of emergency/disability after team or doubles events have started, a substitute shall be permitted, if available. Combined scores to count and player subbed for cannot return. If no sub is available, only frames bowled will count.
   - **E.** Paid all events are not transferable unless the substitute replaces the original entrant in all three events and the transfer is made by a tournament official prior to the time of the substitute's participation in any event.
   - **F.** A substitute who is not already entered in the tournament will be allowed to pay cash at check-in for the optional scratch singles and/or all events fees if the original entrant did not enter the scratch event(s).
7. **AWARDS/PRIZE MONEY:** In case of a tie for first place in any event, co-champions will be declared. 11. **LATE BOWLERS:**
    - **A.** Any player, or team, arriving late shall begin play and the score shall count beginning with the frame then being bowled. A bowler who misses one or more frames, by not being present and ready to bowl when it is her turn, shall not be credited with any pins for frames missed.
    - **B.** If an entrant is late for the doubles event, the entrant present shall bowl her singles first. If her partner has not arrived by the time she finishes her singles event and a substitute cannot be found, the entrant present shall be permitted to bowl her doubles event without a partner.
